

An individualized education helping children be exceptional, accelerated and creative

Dear Prospective Family:

Thank you for your interest in Broomfield Academy. Our mission is to provide each of our students with a individualized education that fosters excellence in academic learning. In addition, we work to establish strong character and leadership skills that develop the attitudes and skills essential for life success.

Admission will be determined by the school's administration after reviewing the entire student packet including test scores, records, and teacher recommendations. We generally set up a half-day visit for prospective students. Not only does this help our staff to get to know and to assess your child's learning levels and styles, it gives your child a chance to spend time in our classrooms, meet some of the students and staff. It also gives you a chance to spend some time with our staff and to learn more about Broomfield Academy.

We appreciate your cooperation in completing these forms as they will help us not only in the academic admissions process but also help us plan for your child's educational program at Broomfield Academy.

Please do not hesitate to call if you have questions or if we can be of any assistance.

Sincerely,

Susan Rajala

Principal
